

**Wego Chemical Group Inc.
Environmental, Safety, Health & Security Policy**

Wego Chemical Group is committed to protecting the health and safety of its employees, the public and the environment as it carries its mission. Through employee involvement and management commitment, Wego employees will:

Protect human health and strive to eliminate negative Environmental, Safety, Health and Security (ESHS) impacts associated with its activities.

Strive to ensure compliance with all applicable laws, regulations and other applicable requirements.

Seek to maintain a healthful and safe workplace, free of occupational injury and illness.

Conserve natural resources by reducing energy and water usage and by purchasing and using energy efficient devices whenever technically feasible and economically justifiable.

Integrate ESHS into construction and use of our office facility to minimize ESHS impacts associated with its business.

Partner with contractors that commit to safe work practices.

Maintain a system to establish and pursue ESHS objectives and targets, and ensure these are integrated into personnel goals.

Wego Chemical Group has developed and maintained a management system designed to ensure compliance with this policy and the Guiding Principles of Responsible Distribution, is committed to continual improvement and will support the integration of ESHS consideration into its activities to enhance performance.
